Caring Kibbles Waiver and Contract

Lady's Grace is a non-profit organization that offers services to the spouses, children, & pets of military families. Our organization is run mostly by volunteers who want to help others through hard times. The Caring Kibbles program was developed to provide free or low-cost pet food and supplies to military families that have fallen on hard times.

Our policies are as follows:

1. Pet food is distributed on the **first Thursday** of every month **between 1000-1200 and 1700-1900** in the stockroom of Bishopsgate Design & Décor located at 3259 Virginia Beach Blvd, Virginia Beach, 23452.
2. Pet food is given on a **first-come, first-serve basis** and we cannot guarantee it will be available for your pet.
3. We require clients who would like to participate in Lady's Grace Caring Kibbles to complete an application and waiver. We may also require proof that you own your pet.
4. A **military ID is required** at the time you pick up your pet food and you must be 18 years or older to participate.
5. Caring Kibbles is designed for temporary assistance and we will provide food for a **maximum of 3 animals** per household. Due to local laws, we cannot provide food for feral animals.
6. Lady's Grace reserves the right to deny assistance to anyone suspected of breeding their pets, selling the provided pet food, misrepresenting their identity or situation, or involved in criminal activity.

We would love for you to join the Lady's Grace family and participate in our programs. If you are interested in receiving free or low-cost pet food and supplies through Caring Kibbles, please initial that you understand and agree to the following:
